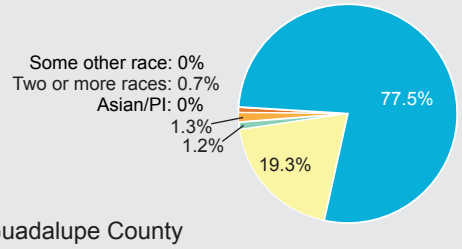
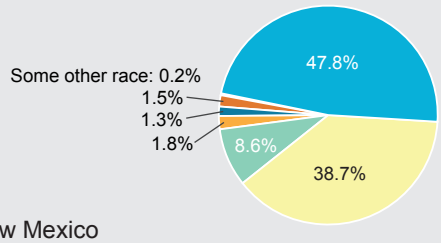
Population demographics

Total population (all ages) by race and ethnicity* 2016



Guadalupe County



New Mexico

- Hispanic
- White
- Native American
- Black
- Asian/Pacific Islander
- Two or more races
- Some other race

The U.S. Census considers Hispanic an ethnicity rather than a race. Since people who identify as Hispanic may also identify as a race, the sum of all numbers may be greater than 100% due to overlap. Where that overlap is significant, the "two or more races" and/or the "some other race" categories are shown separately.
